Welcome to *Summer at Action Day*

Summer at Action Day is a time for discovery and growth! Campers will embark on an exciting academic journey where they'll unlock new math skills, sharpen their ELA abilities, and dive into captivating stories through a brand-new book adventure. With engaging hands-on projects and interactive learning experiences, we're turning academics into an imaginative and inspiring part of their day—fueling their creativity, curiosity, and critical thinking in ways that make learning FUN and unforgettable! Parents will love the meaningful enrichment, and kids will love the excitement of exploring and creating something new every day!

Summer @Action Day Offers Enriching and Fun-Filled Programs

Mornings will now feature an academic component, where campers have the opportunity to learn new math concepts, enhance their ELA skills, and dive into a new book. Campers will complete various projects and enjoy hands-on learning activities to foster their creativity and critical thinking.

Our specialty camps include the exciting VEX Robotics program, which will lead the way innovative program allows campers to explore engineering, programming, and problem-solving in a collaborative and fun environment.

Throughout the week, Summer @Action Day includes 1-2 planned field trips, or we bring the excitement to campus with engaging vendors and live entertainment. Campers will also enjoy fun and interactive rotations, such as chess, sports, creative arts, and science, PLUS other featured events. Twice a week, campers come together for "Group Gather" activities, which unite them through games like team-spirit challenges, tug-of-war, and even watermelon-eating contests.

We create a summer experience that is FUN, enriching, and unforgettable!

We Provide Outstanding Camp Leaders

Our camp is only as fun and successful as its staff, and we are very proud of our talented, trained, and energetic camp leaders. They make our Summer @Action Day experience truly special! Each camp leader undergoes extensive staff development and training to ensure they are ready to create an exciting, adventurous, and unforgettable summer experience for your child!

Small, Fun, and Interactive Workshops

Enhance your child's summer camp experience with workshops designed with middle school campers in mind. From improving academics and exploring artistic talents to engaging in invigorating sports and interactive games, we offer a variety of workshops to make every camper's summer memorable.

We provide many choices here at Summer @Action Day, so please ensure your child's schedule aligns with their preferred workshops. Sign-ups are on a first-come, first-served basis, so save your child's spot today! Workshops are non-refundable unless canceled by Action Day.
